Through the generosity of the many people who live and vacation in Tahoe, we support hundreds of the region's best nonprofit organizations and the extraordinary people who make our community a great and beautiful place to enjoy.

Since incorporating in 1998, the Foundation has stewarded more than \$5 million into local organizations working to improve our community.

These funds support a broad array of organizations both locally and nationally. Grants from these funds can be advised by the donor, allocated to a general cause, made in memory of a loved one, or directed by the knowledge and experience of our community foundation staff and board.
