

THE JOY *OF* GENEROSITY

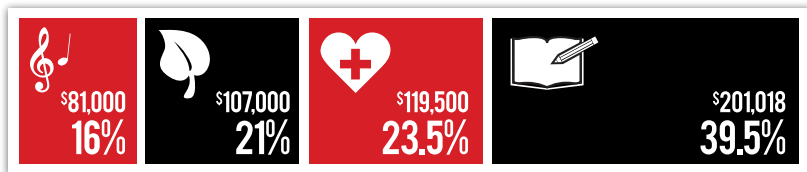

10 YEARS

In the blink of an eye, Tahoe Truckee Community Foundation's Queen of Hearts Women's Fund is 10 years old. Looking back, we've had an amazing 10 years. Over 1,000 women shared the initial dream to inspire others from our region to join our women's philanthropy fund. Collectively, the Queen of Hearts Women's Fund has granted over half a million dollars! We came together to share a purpose: to make a bigger impact collectively than we could individually. And it's worked.

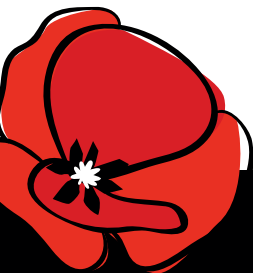

We are grateful to be surrounded by a community of like-minded women, those who see their region as a place in which to invest their time and energies. With this momentum we see a bright future ahead, join us as we build the next 10 years.

ENGAGING THE NEXT GENERATION

GIRLS GIVING BACK

Girls Giving Back, our youth philanthropy project, empowers young women under 18 years old to help shape our community's future. The group had its first meeting in 2014 and has already grown by 50% and completed two fundraising and grantmaking cycles to infuse \$5,000 into our region.

INVESTING IN INNOVATION

AIM HIGH INITIATIVE

In 2012, Queen of Hearts supporters saw an opportunity to change the lives of our community's youth and signed up to support a three-year initiative to bring the award-winning program, Aim High, to our community. The goal of our \$75,000 seed funding commitment was to join other funders in helping the program become self-sustainable and five years later, it is.

JOIN US!

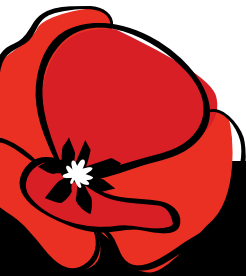

Our 10 year anniversary is the perfect opportunity to engage a larger network of community-minded women to share in the Joy of Generosity. Over our next ten years, we will:

- *Inspire women to join together and make their voices heard for the community*
- *Deploy our unique and invaluable skill sets and talents through volunteer opportunities*
- *Increase our impact by growing our endowment and grant making funds. Think about the impact \$100,000 in grants each year could make!*

With your first commitment of \$1,000 you will join over 1,200 women and enjoy endless opportunities to make a huge impact on the region.

Existing queens can continue to contribute by inspiring friends and family to get involved and by committing to an annual contribution to the fund to ensure more substantial grants.

The Queen of Hearts Women's Fund has proven to be an important participant in the region's solutions. Let's grow that impact! **Join now by visiting the TTCF website or calling (530) 587-1776.**
