

# FOREST FUTURES

A Regenerative Solution

## 3 YEAR RECAP

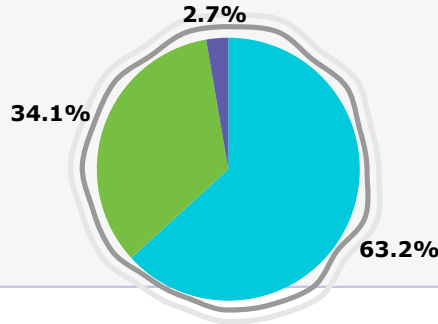

We bring together trusted partners to align strategies and inspire philanthropy to nurture a resilient community and environment.

### IMPACT STRATEGY

- Protect Our Communities:** Defensible Space, Forest Management, Ecosystem Restoration
- Build Forest Economy:** Workforce, Clean Energy & Biomass Infrastructure, Greenwaste
- Accelerate Market Solutions:** Scale Solutions, Impact Invest, Innovative Funding

### ON THE HORIZON

- Creating readiness for structured funds to support localized solutions that will help Mountain West communities process woody biomass, transition to regenerative energy, and provide interconnected solutions for people and places.
- Stimulating entrepreneurial activity in the forest through regional and state-wide partnerships to grow the workforce and forest economy.
- “The Majestic Ally-Oop” - Realizing a vision to sustain regenerative forest practices while addressing our housing crisis.
- Designing localized solutions scaled for the Mountain West by structuring catalytic grants and regenerative investments to advance scalable forest and climate solutions.

### PROJECT

#### PORTFOLIO\* PROTECT OUR COMMUNITIES

Accelerating Forest Solutions, National Forest Foundation  
 After the Burn: Ecologically Sound Fire Recovery, Feather River Land Trust  
 Data Curation for Wildfire Assessment and Resilience, VP Data Commons  
 Neighborhood Leader Video Training, Tahoe Resource Conservation District  
 Olympic Valley S-Turns Fuels Reduction, Olympic Valley Public Service District  
 Private Landowners, Truckee North Tahoe Forest Management Plan Grants  
 Truckee Fire - Community Wildfire Protection Plan (CWPP), Truckee Fire Protection District

#### BUILD FOREST ECONOMY

Developing Forest Resilience Bonds for Truckee-Tahoe, Blue Forest  
 Forest Economy Infrastructure Coordination and Training, Sierra Nevada Alliance  
 Housing and Technology Upgrades for Seasonal Forestry Workforce, Great Basin Institute  
 Mosaic Mass Timber: Launching Mass Timber Manufacturing in California, Sierra Institute for Community and Environment  
 Northstar Community Services District Biomass Energy System  
 Tiny Home Village Employee Housing, Lake Tahoe Unified School District

#### ACCELERATE MARKET SOLUTIONS

Entrepreneurial Prize Competition

\*This is a sample of 50+ projects.

### WASHOE COMMUNITY LIAISON

- ✓ 12 Funding Partners
- ✓ \$450K Public & Private Funding
- ✓ 3 Years of Funding

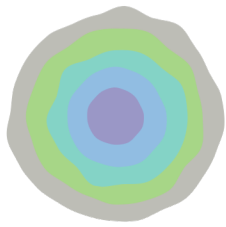

### FROM FOREST TO MARKET

- ✓ Utilizing Woody Biomass to Transition to Clean Energy
- ✓ Investing in Cross-Laminated Timber for Housing Solutions
- ✓ Entrepreneurial Prize Philanthropy

### HOUSING OUR FOREST WORKFORCE

- Nature Conservancy/Great Basin: Housing Stipends
- Hobart Mills US Forest Service: Hotshot Housing

FALL 2024

# FOREST FUTURES

A Regenerative Solution

## UPCOMING EVENTS

### FOREST SALONS

Location: Virtual and In-Person

Since 2018, Tahoe Truckee Community Foundation has hosted salons to gather subject matter experts across disciplines and sectors to educate our community. This has created an environment that nurtures collaborations and readiness for solutions as they arise.

### PRIVATE TOURS

Tahoe Truckee Community Foundation is pleased to invite our Forest Futures supporters to immerse themselves in the work of Forest Futures. These tours provide an opportunity to understand the interconnected ecosystem of solutions within TTCF's mission as well as meet the grantees and partners behind the solutions most meaningful to you.

### FOREST EXPERIENCES

Forest Futures Experiences take us to the heart of our conversation. In-person forest experiences include immersing ourselves in nature through the practice of *shinrin-yoku* or "forest bathing", tours of forests under management, happy hours with a view, picnics, and more. Coming to a neighborhood near you.

OUR SPECTRUM OF CAPITAL INCLUDES:  
GRANTS → CHALLENGE PRIZES → IMPACT INVESTMENTS
